Fall 2022

Dear Friend,

On Sunday, December 4<sup>th</sup>, The Arc of the South Shore is hosting our **2<sup>nd</sup> Annual Holiday Festival Featuring Winter Sleigh Rides at Webb State Park**. We invite you to join us to promote your business while supporting The Arc's mission to empower our neighbors with disabilities. This family focused event will be held from 11:00am to 3:00pm at 371 River Street in North Weymouth. In addition to sleigh rides through the park, it will feature live music, pictures with Santa, holiday themed arts & crafts, refreshments, and so much more.

Since 1951, The Arc has provided comprehensive care to individuals with intellectual and developmental disabilities, including Autism. Today, we offer information, supports, and community programming to 4,000 individuals each year. Your support will benefit our programs and services and help individuals with disabilities live their best lives and achieve high-quality outcomes.

**We are asking for your support in the form of sponsorship for this exciting event.** Sponsorships include recognition on the event webpage and booklet, family tickets to the event, social media exposure, and more. More information can be found on the enclosed sponsorship sheet or at [ArcSouthShore.org](http://ArcSouthShore.org). This unique community event sold out in 2021, and we anticipate more than 400 families will attend this year. Thank you for considering a charitable donation to this wonderful cause.
