March, 2023

Dear Friend,

Last year, with the support of friends like you, The Arc provided information, personalized care, and community-based programming to 4,000 individuals with intellectual and developmental disabilities, including Autism. Philanthropic giving allows us to strengthen our services, develop new initiatives, and ensure the highest quality care for people with disabilities. **This year, we invite you to *Become a Friend of The Arc* by joining our new annual giving program.**

For 2023, we are offering annual sponsorship opportunities that will allow you to promote your business while supporting The Arc's mission to empower our neighbors with disabilities. With one gift, you will receive a year's worth of benefits, including tickets to our fundraising events, recognition on our website, social media exposure, your logo on The Arc's promotional items, and so much more.

By becoming a friend of The Arc, you will help us to improve the health, safety, and independence of people with disabilities. Together, we will provide support for infants and toddlers with developmental concerns, specialized services for youth with Autism, and therapeutic care for adults and seniors.

More information can be found on the enclosed sponsorship sheet or at ArcSouthShore.org. Thank you for being a friend of The Arc. If you have any questions, you may contact me at 781-335-3023 x2222 or BLinden@ArcSouthShore.org.

Best,

Brenda J. Linden
Chief Strategy and Engagement Officer
