

Message from the Executive Director

July 24, 2020

Greetings to The Arc of the South Shore Community!

This week The Arc of the South Shore received a huge delivery of Personal Protection Equipment from MEMA (Massachusetts Emergency Management Agency). We are very grateful to MEMA for the additions to our supply. We received surgical masks, cloth facemasks, face shields, goggles, hand sanitizer and thermometers.

The shipment was delivered by the National Guard!

As we begin to re-open our day programs and prepare to provide limited home visits to families in Early Intervention, we depend upon a well-stocked supply of PPE to keep our employees and our clients safe.

This year The Arc's Signature fundraising event *the Summer Soiree* will be an all virtual event.

The virtual event will be held on August 25. Brenda Linden, Director of our Development Department is already busy

coordinating this awesome event with our VIP committee and many agency volunteers.

We look forward to having Billy Costa as our Master of Ceremony and tons of fabulous auction items to win.

Be sure to tune in to this event and find out who will be walking the Red Carpet. Details for registering for the event to be available soon.
